Ms. Jayme Stevenson
First Selectman
Town of Darien
Renshaw Road
Darien, CT 06820

Dear Madam Selectman:

After almost two decades on the Planning & Zoning Commission I am resigning effective May 1. Although I had not planned to seek reelection in November, I am resigning early to allow a newly formed Commission to take on the numerous challenges before it over the intervening months relative to affordable housing and commercial redevelopment. The continuity of the Commission will be important in dealing with these issues.

A lot of change has taken place over my years on the Commission, and, although I will miss the fulfillment derived from this public service, I will be available to assist our community in any way I can.

Sincerely yours,

Frederick B. Conze
